

CULTURAL ROUNDTABLE

For PeaceX DelReps and BookPecker Fellows only

Culture hosts the globalised tenure of regions in the contemporary world. With billions of ideas penetrating the psyche of our regionalised worlds, we invite you to a Cultural Roundtable, a unique event of differences and similarities, nuanced agreements and disagreements. Discuss, debate, deliberate and find your unique ubiquitous self among the infinite shades of self-identity and originality.

The structure of the this cultural rendezvous is as follows :

Round 1 : Continental roundtables will be held wherein representatives* will discuss issues and policy initiatives pertaining to particular continents (which they choose to represent). Each continental roundtable will have a 'Best Speaker'.

Round 2 : The 'Best Speakers' of all the continental roundtables will interact now with various experts in an international roundtable and will discuss values and concerns cardinal to the current world order and perception.

We invite you to this awareness-factory of sorts! Apply now!
